GDPR privacy notice for pupils and their families

Clubs are currently required to inform pupils and their families about how their personal data may be collected and used. This requirement will remain once the General Data Protection Regulation (GDPR) comes into effect on 25 May 2018; however, clubs will be required to revise their privacy notices to include further information on processing individuals' personal data, in order to be compliant with the GDPR.

Who processes your information?

The Business Manager of the club (Bethany Eaton) is the data controller of the personal information you provide to us. This means the club determines the purposes for which, and the manner in which, any personal data relating to pupils and their families is to be processed. **Bethany Eaton** acts as a representative for the club with regard to her data controller responsibilities; she can be contacted on **07960960331** email: **wickclubinfo@aim.com**

In some cases, your data will be outsourced to a third party processor; however, this will only be done with your consent, unless the law requires the club to share your data. Where the club outsources data to a third party processor, the same data protection standards that Wickersley Kids Club upholds are imposed on the processor.

Bethany Eaton (Manager) & Hayley Green (Deputy Manager) are the data protection officers. Their roles are to oversee and monitor the club's data protection procedures, and to ensure they are compliant with the GDPR. The data protection officers can be contacted on **07960960331** email: **wickclubinfo@aim.com**
